

# ONE DAY NATIONAL LEVEL TRAINING PROGRAMME ON DGPS AND ITS APPLICATION IN GEOGRAPHICAL STUDIES

Organized by  
Department of Geography in Collaboration with I.Q.A.C  
Hiralal Bhakat College  
Nalhati, Birbhum

## About the training programme

This training programme focuses on high resolution spatial data collection using Differential Global Positioning System, processing and mapping. Participants can gather theoretical knowledge about the DGPS as well as get hands-on training about it. Hands-on training includes setting up DGPS equipment, real-time data acquisition and accuracy assessment. This training programme is ideal for UG & PG students of Geography, researchers, surveyors and GIS professionals. This program also enhances skills in geospatial analysis for academic research and practical applications in various geographical fields.

## Target group:

UG & PG students of Geography, researchers, surveyors and GIS professionals

## Date and Time of Programme

04.04.2025, 12:00 p.m. onward

## Resource Person

Dr Kamal Kumar Barik  
Associate Professor  
Dept of Civil Engineering  
Centurion University of Technology and  
Management  
Bhubaneswar, Odisha

## Registration fees:

Rs. 100/-

**Registration link:** <https://forms.gle/A1LJYNGLJPvegCeL9>

**Registration deadline:** 02.04.2025, before 11:59 p.m

## Bank details

Account No.: 34443290352  
IFS Code(IFSC): SBIN0008540
